

Tshepiso Langa

Customer Support Specialist & Educational Administrator

tlanga233@gmail.com • Johannesburg, South Africa • [linkedin.com/in/tshepiso-langa](https://www.linkedin.com/in/tshepiso-langa)

Professional Profile

Adaptable and detail-oriented professional with a proven track record in international customer support, educational administration and client relations. Currently completing a Bachelor of Education (B.Ed) at UNISA, drawing on academic training in psychology, instructional design and communication to deliver world-class service and structure. Over three years of corporate experience, including high-volume United States customer campaigns and complex data workflows for primary school ecosystems. High emotional intelligence, with strength in de-escalating challenging situations through empathy, patience and clear communication.

Skills

Customer Operations: CRM software, multi-line phone systems, live chat (US campaigns).

Administration & Data: Records management, database administration, data capture, calendar scheduling, Google Workspace, Microsoft Office (Excel, Word, Outlook).

Soft Skills: Emotional intelligence, de-escalation, active listening, cultural adaptability, attention to detail, time management.

Work Experience

Customer Support Specialist (United States Campaign) — Concentrix

May 2025 – August 2026

- Managed high-volume inbound inquiries for a dedicated, fast-paced United States client campaign, maintaining high customer satisfaction metrics.
- Resolved complex billing, account and service issues with high cultural adaptability and clear communication.
- De-escalated challenging customer scenarios using empathy, active listening and efficient system cross-referencing.

Customer Service Agent — Icontact

November 2024 – May 2025

- Primary point of contact for client queries, ensuring rapid first-contact resolution across chat and voice channels.
- Used advanced CRM data tools to document interactions, track open issues and maintain accurate communication logs.
- Collaborated daily with internal technical support teams to resolve persistent customer bottlenecks.

School Administrator — Mara Primary School (John Crane Project)

August 2023 – November 2024

- Managed daily front-office operations and school correspondence as the core administrative hub for staff, students and parents.
- Maintained and secured physical and digital institutional databases, reducing file retrieval times for compliance reporting.
- Assisted project leads with community engagement schedules and institutional resource allocations.

Call Centre Agent — Merchants

October 2022 – April 2023

- Delivered structured service solutions to a broad consumer demographic while consistently hitting performance and QA targets.
- Navigated complex, multi-layered internal knowledge bases to provide fast, reliable answers under tight timelines.

- Built foundational corporate capabilities in phone etiquette, active data logging and swift problem solving.

Key Projects

SAMS Database Cleanup — Mara Primary School

Restructured and updated digital and physical student records, administrative files and attendance logging systems, minimising file retrieval delays and strengthening structural compliance protocols. Tools: Microsoft Excel, database management systems, SAMS.

Front-Office Workflow Overhaul — Mara Primary School

Standardised correspondence templates, shared scheduling calendar and a clear filing index so compliance reporting could be produced in minutes. Tools: Google Workspace, Outlook, records management.

US Campaign Escalation Playbook — Concentrix

Documented recurring billing, account and service issues into a practical de-escalation playbook with tone guidance and system cross-referencing steps. Tools: CRM software, live chat tools, Excel.

Education

Bachelor of Education (B.Ed) — University of South Africa (UNISA), 3rd year, in progress

Core focus: Educational Psychology, Instructional Design, Classroom Management, Professional Communication.

National Senior Certificate — Silver Oaks Secondary School, matriculated 2021

Certifications

Certificate in International Customer Support & Campaign Dynamics — Icontact
